### TOILETS AND SHOWERS

Toilets and showers are situated as follows:

- Opposite C Pier
- Northern side of the Ponsonby Cruising Club
- Adjacent to J Pier
- Opposite T Pier

There are additional toilets in the boat ramp area and opposite Q Pier.

Showers are operated by \$1 coins. Access is by a Personal Identification Number (PIN).

### LAUNDRY

The laundry facilities are located as follows:

- Opposite T Pier
- Northern side of Ponsonby Cruising Club

Entry is by a Personal Identification Number (PIN).

Both washing machines and dryers work on a coin operated system at \$2 per wash or dry.

### INTERNET BOOTH

The Customer Lounge provides free internet access and is situated in the courtyard behind the Marina Office and will be open during office hours.

### WASTE

#### Sewage Pump - Out Facilities

Sewage pump-out facilities may be found on the separate pontoon jetty south-east of Z Pier (Charter Boat Base) and at the northern end of U Pier. These facilities have tapered connections suitable for all vessels and are available 24 hours. They are self-operated and detailed instructions are provided at each location. There is also a portable toilet disposal facility located in the toilet/laundry building adjacent to T Pier.

#### Waste Oil Disposal

Green oil recycling drums for waste oil disposal are located around Westhaven Marina.

the top of B, D, P, T and VWX Piers and behind the marina office building.

### Rubbish

There are grey rubbish bins at the top of all piers for general daily boat rubbish.

### Recycling

Yellow recycling bins for cans and bottles are situated at the entrance/exit of piers.

### TELEPHONES

Card and coin operated telephones are located as follows:

- Opposite Q Pier
- Adjacent to J Pier- by toilet block
- Next to the Marina Office

### FUEL FACILITIES

Fuelling is not permitted at berths but for your convenience there are two permanent commercial fuel outlets supplying both diesel and petrol on the Eastern side of the marina.

#### Orams Fuel (Caltex) Floating Service
